ARTICLE #105 – CONTRACT TERM

From Notice-to-Proceed until substantial and final completion of Services according to agreed time-schedule of and after all subcontractor(s) and material suppliers' liens are satisfied.

ARTICLE #106 – CONTRACT AMENDMENTS AND MODIFICATION

This Contract may only be modified, amended, or changed in writing and fully executed by both Parties hereto. This Contract constitutes the sole and entire Contract and understanding between the Parties as to the subject matter hereof, and no verbal promises have been made by either Party in relation hereto.

ARTICLE #107 – REMEDIES AND CONTRACT PERFORMANCE

In the event that either Party to this Contract breaches this Contract, including failure to meet the timetables set forth herein, the non-breaching Party shall provide a written Notice-to-Cure to the breaching Party which describes the breach of this Contract. The breaching Party shall have thirty (30) days from the date of receipt of the written Notice-to-Cure the breach or to otherwise negotiate a resolution of the breach.

If the breach has not been cured and the Parties hereto have not resolved the issue described in the Notice-to-Cure by thirty (30) days after receipt of the letter, the Party authoring the letter shall be entitled to seek any and all remedies allowed by Georgia law, including damages, equitable relief, declaratory relief, specific performance, and/or relief as to any bonds issued hereon. Additional provisions are:

A. **Delay or Impossibility of Performance.** Any failure or delay must be beyond the reasonable control of and without the fault or negligence of the Contractor. If the Services to be provided to the County are interrupted by a force majeure event, as defined below, the County will be entitled to an equitable adjustment to the fees and other payments due to the Contractor under this Contract. If delay results from a subcontractor's negligent conduct or failure to perform, the Contractor shall not be excused from compliance with the terms and obligations of the Contract.

Neither Party shall be held liable or responsible to the other Party nor be deemed to have defaulted under or breached this Contract for failure or delay in fulfilling or performing any obligation under this Contract when such failure or delay is caused by or results from causes beyond the reasonable control of the affected Party including, but not limited to, fire, floods, embargoes, acts of war, civil unrest, insurrections, riots, strikes, lockouts or other labor disturbances, or acts of God; provided, however, that the Party so affected shall use reasonable commercial efforts to avoid or remove such causes of nonperformance, and shall continue performance hereunder with reasonable dispatch whenever such causes are removed. Either Party shall provide the other Party with prompt written notice of any delay or failure to perform that occurs by reason of force majeure.

Definition: The term "force majeure" as defined in Black's Law Dictionary is "an event or effect that can be neither anticipated nor controlled. It is a contractual provision allocating the risk of loss if performance becomes impossible or impracticable, especially as a result of an event that the Parties could not have anticipated or controlled."

B. Obligations Beyond Contract Term. The Contract shall remain in full force and effect to the end of the specified term or until terminated or canceled pursuant to *ARTICLE #108 – TERMINATION PROVISIONS*.

C. Transition Cooperation with the County and Cooperation with Other Contractors. Contractor agrees that upon termination of this Contract for any reason, it shall provide sufficient efforts and reasonable cooperation and assistance to the County to ensure an orderly and efficient transition to the County or an alternative Contractor. Further, if the County has entered into or enters into contracts with other Contractors related to the Services, Contractor agrees to cooperate fully with other such Contractors. Contractor shall not engage in any act that will interfere with the performance of work by any other Contractor(s).

ARTICLE #108 – TERMINATION PROVISIONS

The County may terminate this Contract by providing thirty (30) days written notice to the Contractor at any time. Should the County terminate this Contract prior to the date of automatic termination, Contractor shall provide the County with all deliverables up to the date of termination thirty (30) days after the Notice to Terminate is issued. The County shall pay the Contractor for all work properly performed in compliance with the terms of this Contract up to the date of termination.

A. Termination for Convenience. Following thirty (30) days' written notice, the County may terminate the Contract in whole or in part for any reason without the payment of any penalty or incurring any further obligation to the Contractor.

B. Termination for Cause. The occurrence of any of the following events shall constitute cause for the County to declare the Contractor in default of its obligations under the Contract:

1. The Contractor fails to deliver or has delivered nonconforming Services or fails to perform, to the County's satisfaction, any material requirement of the Contract or is in violation of a material provision of the Contract including, but without limitation, the expressed warranties made by the Contractor.
2. The County determines that Contractor's unsatisfactory performance substantially endangers completion or that default is likely to occur.
3. The Contractor fails to make substantial and timely progress toward performance of the Contract.
4. The Contractor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Contractor terminates or suspends its business; or the County reasonably believes that the Contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law.
5. The Contractor has failed to comply with applicable federal, state, and local laws, rules, County ordinances, regulations, and orders when performing within the scope of the Contract.

6. The Contractor has engaged in conduct that has or may expose the County or the State to liability, as determined in the County's sole discretion; or a material breach of the terms of the Contract by County upon County's failure to cure such material breach after written notice thereof has been delivered in accordance with *ARTICLE #108.C* below constitutes cause for the Contractor to declare that the County is in default of its obligations under the Contract.

C. Notice of Default. If either Party causes any of the default events set out in *ARTICLE #108 – TERMINATION PROVISIONS*, then either Party shall issue a written Notice of Default to the Party that causes one (1) or more of the default events requesting that the breach or noncompliance be remedied within the period of time specified in the Notice of Default. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the non-breaching Party may:

1. Immediately terminate the Contract for default without additional written notice; and/or,
2. In the event of a breach by the Contractor, the County may procure substitute Services from another source and charge the difference between the Contract and the substitute Contract to the defaulting Contractor; and/or,
3. Enforce the terms and conditions of the Contract and seek any legal or equitable remedies.

D. Termination Due to Non-Availability of Funds. This Contract will terminate immediately and absolutely if the County determines that adequate funds are de-appropriated such that the County cannot fulfill its obligations under the Contract, such determination being at the County's sole discretion and conclusive. County agrees to provide prompt written notice to Contractor in the event of any de-appropriation.

E. Termination due to Failure of Contractor to Act. The County may terminate the Contract for any of the following reasons effective immediately without advance notice:

1. If the Contractor must be certified or licensed as a condition precedent to providing the Services, the revocation, suspension, or other loss of such license or certification may result in immediate termination of the Contract effective as of the date on which the license or certification is no longer in effect.
2. The County determines that the actions, or failure to act, of the Contractor, its agents, employees, or subcontractors have caused, or reasonably could cause, life, health, or safety to be jeopardized.
3. The Contractor furnished any statement, representation, or certification in connection with the Contract or the bidding process, which is materially false, deceptive, criminal, or maliciously incorrect.
4. Failure of the Contractor to obtain, provide, maintain, and deliver the performance and payment bonds when required under this Contract, or failure to comply with any requirement pertaining to the appropriate amounts thereof as set forth in *ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS*.

F. Payment Limitation in Event of Termination. In the event of termination of the Contract for any reason by County, the County shall pay only those amounts, if any, due and owing to the Contractor for Services actually received and accepted by the County up to and including the date of termination of the Contract and for which the County is obligated to pay pursuant to the Contract.

G. Contractor's Termination Duties. Upon receipt of a Notice of Termination, the Contractor shall:

1. Cease work under the Contract and take all necessary or appropriate steps to limit disbursements and minimize costs and furnish a report within thirty (30) days of the date of Notice of Termination describing the status of all work under the Contract including, without limitation, results accomplished, conclusions resulting therefrom, and any other matters the County may require.
2. Immediately cease use and return to the County any personal property or materials, whether tangible or intangible, provided by the County to the Contractor.
3. Comply with the County's instructions for the timely transfer of any active files and work product produced by the Contractor under the Contract.
4. Cooperate in good faith with the County, its employees, agents, and Contractors during the transition period between the Notification of Termination and the substitution of any replacement Contractor.
