Zoning Item for Comment*

2614 Old Cornelia Highway | Rezone

Select from the list below which zoning item you would like to register a comment on. Items are listed in the order in which they appear on the agenda.

Your Comments*

Please look at ALL things when considering this approval. I have spoken to several neighbors, Debris Brown, Penny Cain, Ronald Marchbanks & others that are very concerned about the heavy equipment coming in & out of that area. This road is already congested with numerous accidents on this particular stretch of road, some fatalities. Since receiving the notice to re zone there has been two accidents near this location. I will try to gather the specifics of accident data from the Sheriff's department before final hearing. As a neighbor of this area, we feel that it is dangerous enough with just regular vehicles so having heavy equipment and more dump trucks would ONLY complicate the already existing problems with traffic in this neighborhood! Don't forget the big development next to the old White Sulfur school that will bring even more traffic issues. Safety is THE major concern as just getting in & out of driveway can be scary at times! The road "as you know" is very curvy & people drive too fast so this would I feel just cause more accidents & problems.

Thank you

Robin McGahee
