The proposed access does not meet GDOT Driveway Spacing requirements. Sight Distance appears to be limited to the east and would need to meet AASHTO Greenbook requirements. Full length right turn lane would not be able to be installed due to spacing constraints. All access should either be joint use with an existing access or use the internal connection from E Sardis Rd with potential improvements at E Sardis Rd and SR 53.

*The Planning Commission's decision will be the final action taken unless appealed to the Board of Commissioners. To do so, file an application with the Planning Department within 30 days of the Planning Commission's decision.

The Hall County Board of Commissioners will hear appeals at a public hearing **Thursday, December 11, 2025**, at 6:00 p.m. at the Hall County Government Center, 2nd Floor Meeting Room, 2875 Browns Bridge Road, Gainesville, Georgia.
