**Your Comments\***

As a long time resident of Hall County, I am extremely concerned about this plan to bring a harmful project like this data center to Gainesville. If the negative environmental impacts are not enough to sway your vote away, I would like you all to consider that we the people of the nearest neighborhood and city do not want this. It will only spike our electric bills up, dilute our water supply, and negatively harm development. Take into consideration us - not the corporation trying to profit. Vote no for the people!
