Beth,

This email will follow the voicemail that I just left for you.

We would like to request that both of the zoning applications regarding 4747 Cagle Mill Road be tabled at the 9/11 meeting until either 10/7 or 10/23.

We are trying to get some information from our engineer regarding the impact of the 50 transitional buffer imposed by the planning staff, as well as costs related to the paving of Cagle Mill Rd. Additionally, Commissioner Stowe has asked that we consider adding a should to Cagle Mill Rd. We have not yet been able to get accurate information from our engineer. We are told it will be a month before we have that information.

Let me know if you have any questions or need any additional information.
