To whom it may concern:

On January 22 there is a public hearing for Flowery Branch Winery's special use permit. Flowery Branch Winery is a great addition to the community. It is a calm, beautiful place for the community to congregate owned by a local community family. Small businesses are the heart of any community and should be supported. Flowery Branch Winery should be able to expand their event offerings to benefit the community. Unlike a bar, this upscale relaxing environment is only open until 8 pm most nights and 9 pm on Saturdays, limiting traffic and noise to the surrounding neighborhoods. The surrounding neighbors should be glad for the preservation of land keeping more development from surround them. Much like beautiful north Georgia that is speckled with beautiful wineries we are glad to have such beauty nearby to visit. Flowery Branch is so fortunate to have such a business provided by a hard-working family, which adds to the beauty and character of the surrounding community.

I implore the vote in support of this family-owned business so they can continue to provide more events that benefit and bring the community together. Please vote to extend the special events permit to Flowery Branch Winery.

Best,

Dina Snyder
