Hello-I am writing on behalf of Flowery Branch Winery's application for a special use permit to hold events at the winery. Since it's opening, Brad and his staff have created a warm, welcoming place where you can enjoy a glass of wine and the company of friends. They have also offered to work with me to help me raise money for a charity I support. Restricting their ability to hold events would put this project in jeopardy, which would be a loss for everyone involved.

Flowery Branch Winery is an asset to Flowery Branch and Hall County, and I would hate to see their ability to hold occasional events be restricted because a small minority disapproves. Thank you for your time.
