Dear Commissioners,

I am writing in support of the above business and their request for a zoning variance to improve their business model and opportunity to grow their business. I and many friends are frequent customers of this business. We have also volunteered for the grape harvest and landscaping projects to help this business. I have become friends with the owner Brad Walton and can verify that he is an honest and hardworking contributor to our community.

I respectfully urge you to approve his effort to improve his business.

Regards,
George McIlroy
