Hello, I am writing in FAVOR of the rezoning at the Flowery Branch Winery to add a special permit for events.

I have been going to the Flowery Branch Winery since they opened last year. All experiences there have been awesome! The owners, Brad and Irena and the rest of the family are just good people. They have established a safe place of community there. I have met so many wonderful people at the winery... several of which I am good friends with since meeting. I have nothing but praises for the establishment and the atmosphere at the Winery. Please say YES to them so they can continue to grow the business, bringing many friends (or yet to be friends) from the area together.

Thank you for your consideration.
