Ms Rivera,

I'm writing in favor of the Flowery Branch Winery's request for a special use permit. As a lifelong resident of the county, these are the types of businesses that I hope can get off the ground and find their way to thriving. They add interest and character to the area in a way that industrial facilities just can't and don't. As a literal "mom and pop" operation trying to pull themselves up by their bootstraps, I feel like they should have every option available to them to maximize their chances of success.

Thank you for your consideration, and best regards.
