To whom it may concern:

As a patron of Flowery Branch Winery and Vineyard since day one, I am excited for the next chapter of the winery's growth. It is a wonderful, welcoming, family-friendly gathering place and an asset to the community.

The winery brings shoppers (and therefore tax revenue) from out of town. I know several folks who travel from Lawrenceville, McDonough, Fayetteville, and Macon to visit Flowery Branch because of the winery. Rarely will a weekend pass without out-of-state plates seen in the parking lot. Becoming an official venue will only draw more dollars to Flowery Branch and Hall County!

I've seen safety concerns raised by neighbors, but I can say from personal experience that walking the stretch out to GC Crow and then McEver is safest while on Conner Rd. Additionally, having watched and

experienced how patrons are served, and considering the abundance of food and non-alcoholic options, I've never worried about encountering drivers under the influence coming from the winery.

Flowery Branch Winery and Vineyard is perfectly positioned to provide an expanded range of engaging social activities in a lovely location here at home. To deny the ag-entertainment permit would be a disservice to the community and the county.
