Recommendation:

Staff recommends **DENIAL** of the applicant's request. However, if the County Commission chooses to approve this request, staff recommends the following conditions:

1. The property shall be developed in accordance with the site plan dated November 19, 2025, and as described in the project narrative dated November 20, 2025, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval.
2. All development shall meet Gateway Corridors Overlay District requirements of the Hall County Unified Development Code.
3. No variances or development exceptions are granted as part of this request that are not explicitly granted by board approval. The development shall be compliant with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to Environmental Health, the Fire Marshal, and Hall County Engineering.
4. All conditions of zoning shall be made a part of any plats or construction plans created for the property.
