Hi Brittany,

We have no issues with two additional meters at this location.

Thanks,

Good afternoon, Nick,

We are working with Mrs. Hill on a 4-lot subdivision at 6747 Holly Springs Road. Of the 4-lots, two are proposing city water. Would you have the capacity to allow for 2 additional water meters for this location? I have attached the proposed lot layout for your reference. Tract B & C will be asking for the water.

Please let me know if you have any questions.

Regards,
