Commissioners,

I strongly urge that on April 21, 2026, you vote against the Special Use Permit Request for a group home for recovering drug and alcohol addicts at 4337 Mountain View Road.

This home, which promises to house over 30 women, would be detrimental to the Mountain View community and Lake Lanier.

The negative impacts that would be realized include:

- High security risk and increased neighborhood crime;
- Decrease in property values;
- A precedent for more residences of the same type;
- Increased traffic and congestion in the area;
- Increased noise, interfering with our quiet neighborhood;
- Incompatibility with the surrounding neighborhoods;
- Strained septic system with possible negative impact on Lake Lanier.

Your negative vote on this Request would be greatly appreciated.
