To whom it may concern that actually reads this,

I am writing to formally express my opposition to change the zoning on the property...

Honestly they have been doing this for years ... YEARS. Heck, they just added a new driveway pad. Get in your cars and go drive to the location that you are deciding on! Look at that new parking area!

We want a quiet area. Lived here for decades.

I love the idea of a halfway house but they have been illegally operating for over a decade. They are simply asking to grow now legally. I have seen thousands of cars through that location. Please, literally please respond.

Best regards,

Eliott Williams
