Good morning,

I cannot find where to write a concern, so I hope this is adequate and timely and that you will disperse it among the commissioners and place it in the public record.

I am opposed to agenda item #11-Bradley Dunckel being appointed to the District 2 seat. He is associated with DCCM Gainesville, which was the company that proposed a recently denied Industrial Plan. To me, this shows great conflict of interest to submit his name in that his profession is land development and, more importantly, presented the aforementioned denied request.

I have been fighting development in my area (Cagle Mill Rd/Noah Martin Rd/Whitehall Rd in Lula) for two years. This agenda item is akin to putting a fox in the hen house.

Please do not approve agenda item #11 and begin another search, preferably for a person who has no involvement in land development.

Thank you,
Lee McMichael
