Dear Katie Ahmed,

As a Hall County resident I wanted to give my full support for the approval of the Thumbs Up rezoning request. We were a family at the first retreat for my wife's battle with cancer. Our retreat weekend gave us hope to get through the unfair battle of cancer. We received encouragement, love, prayers, and support. We have been volunteers ever since because we know how important these retreat weekends are for the families.

We truly give families a vacation away from cancer.

We will become fantastic neighbors if we are allowed to be. And we will go above and beyond what is required of us by the commissioners.

I ask that you support the zoning request.

Please contact me if I can answer any questions.

Sincerely

Joe Weber
