The fox's are in the hen house! Billy Powell must be called out and held accountable for his use of elected position for his personal gain, corruption, and cronyism. This has been going on for a while, but has now been made blatantly obvious by the 2332 Sardis Road rezone application. This rezone should be denied, along with any other project he has a hand in. His appointment of developer/partner/rezoning applicant Bradley Dunkle should be nullified. We now have the Processing Plant within the hen house!!
