Dear Hall County Board of Commissioners:

I am writing in support of Mulberry Springs Winery and Vineyard and request the BoC vote to approve the variance request so that the winery may host social events.

Sound from events which include music would not be disruptive as they would take place in the building that is currently under construction. The winery has a good reputation for hosting small social activities which are not and non-disruptive to neighbors. They are a nice addition to the community.

Granting the request would positively impact the surrounding area and compliment the overall character of this family-friendly area of Flowery Branch and Hall County.

I appreciate your time and consideration and look forward to your vote on this matter.

Thank you,

Lena Faul
