Your Comments*

Dear Hall County Board of Commissioners,

I am writing to express my strong support for the request to rezone 6249 and 0 Ben Parks Road in Murrayville back to Agricultural Residential (AR-1).

Returning these properties to AR-1 is consistent with the rural character and agricultural heritage of the Murrayville community. Preserving agricultural and low-density residential land helps protect open spaces, supports local farming, and maintains the quality of life that so many Hall County residents value.

Rezoning these properties back to AR-1 also provides consistency with the surrounding area and helps ensure that future land use remains compatible with neighboring properties. Maintaining appropriate zoning is important for protecting property values, reducing the potential for incompatible development, and preserving the character of North Hall for future generations.

I respectfully ask that you vote in favor of the request to rezone 6249 and 0 Ben Parks Road back to AR-1. Thank you for your service to Hall County and for your thoughtful consideration of this matter.

Sincerely,

Jeff & Tina Hubbard
