Hall County Board of Commissioners,

I am writing in support of allowing the Ark on Lake Lanier to operate as an event facility. My husband and I lead a ministry called Prodigal Child Ministries that supports parents and siblings who love someone battling addiction and/or a mental health condition. We have hosted two weekend retreats at the Ark on Lake Lanier and they have been life changing for the parents in attendance. We are hosting our third retreat this November and are just about fully booked. This beautiful and peaceful venue has been perfect for allowing parents to rest, refocus and refuel so they can best advocate for and love their children who are battling addiction and/or living with a mental health condition.

The Ark is a phenomenal venue with a heart for serving nonprofits. They are changing lives by sharing this beautiful venue! Please consider allowing them to operate as an event facility.
