

PUBLIC NOTICE REQUIREMENTS

Zoning regulations require that public notice must be given prior to all zoning hearings as follows:

1. The Planning Department shall publish a legal advertisement no less than fifteen (15) days and no more than forty-five (45) days prior to the public hearing.
2. The Planning Department shall send notification by letter of all other property owners within a 500-foot radius of the applicant's property, which is standard administrative policy of the Planning Department.
3. The applicant/property owner shall place the public notice sign in a conspicuous location on the property not less than fifteen (15) days and not more than forty-five (45) days prior to the public hearing.

The Planning Department shall post the legal advertisement and notify property owners within a 500ft radius to the subject property.

The applicant is required to post the public notice sign not less than fifteen (15) days and no more than forty-five (45) days prior to the public hearing. A photo of the sign placed at the location is required and must be sent to the Planning Department.

Multiple sign postings on a site may be required as determined by the Planning Department. The sign must be in a location where it is clearly visible from the roadway. The sign cannot be obstructed in any manner, placed too far from the road, or placed in such manner as would cause it to blend into the landscape.

Should you find the sign missing or vandalized in any manner, contact the Planning Department for a replacement sign. When the proceeding is complete and final Board action has occurred, the sign shall then be removed from the property by the applicant.

THE ZONING SIGN MUST BE POSTED NO EARLIER THAN JULY 31, 2026 AND NO LATER THAN AUGUST 05, 2026.

THE ORIGINAL SIGNED AFFIDAVIT MUST BE RETURNED TO THE PLANNING DEPARTMENT NO LATER THAN AUGUST 05, 2026 ALONG WITH A MINIMUM OF ONE PHOTO SHOWING THE SIGN POSTED AT THE SUBJECT PROPERTY.

Failure to comply will result in a delay of the application.
