Dear Hall County Board of Commissioners,

I am writing to express my wholehearted support for The Ark on Lake Lanier and its application to operate as an Event Facility.

The Ark is a truly special place in our community. It provides a beautiful, peaceful setting where families, churches, ministries, nonprofits, and other groups can gather, reconnect, celebrate, and make meaningful memories together.

What stands out to me most about The Ark is that it is so much more than simply a place to hold an event. It is a place that brings people together. It provides an environment where people can slow down, spend time with one another, and experience the beauty of Lake Lanier while creating memories that last.

I believe The Ark is a positive asset to Hall County, and I believe allowing them to continue serving our community in this capacity would benefit so many people.

I am grateful to have a place like The Ark in our community and hope it will continue to be available to families, organizations, churches, and others for many years to come.

Thank you for taking the time to listen to the community and consider the positive impact The Ark has had and can continue to have in Hall County.

Sincerely,

Ally Adler

A Proud Supporter of The Ark
