Dear Hall County Commissioners,

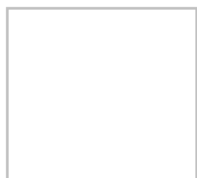

I'm writing to express my wholehearted support for The Ark and its application to operate as an Event Facility. My husband and I were fortunate enough to have our wedding at The Ark, and it was truly the best weekend of our lives, filled with beautiful memories that we will cherish forever.

The Ark is such a special place that brings people together for meaningful celebrations, retreats, gatherings, and time with the people they love. It's a wonderful asset to our community and has provided a beautiful, welcoming space for so many people.

My family and I have also had the pleasure of knowing Jeff and have seen firsthand the graciousness, generosity, and kindness he shows to everyone he encounters. It's clear that his heart is in serving others and creating a place where people can gather, reconnect, celebrate, and make lasting memories.

I wholeheartedly support The Ark and its application and sincerely hope the Commissioners will approve it. I believe The Ark is a positive and valuable part of Hall County and will continue to serve our community in a meaningful way.

Thank you for your time and consideration!
