To whom it may concern: I hereby support The Ark in its application to operate as an event facility and its application to use its own lot for additional parking. For years I have seen smiling faces, loving memories being made, and healing happening on those grounds. I myself have even shared many moments of pure happiness and I am afraid that is something we don't come across as often as we should. This facility, its staff, and its owner have always been the kindest most welcoming and warmest kind of people. Salt of the Earth, every single one of them. There are a few things I haven't seen at The Ark: traffic jams, wild parties, loud and obnoxious guests, or unruly owners. I have seen The Ark, its faculty, and owner go to great lengths to conform to the rules and ordinances set by Hall County. They are doing just that now by applying for these applications. The Ark will continue to be a place very near and dear to my heart and I hope this committee and find it in their hearts to allow more people to have these experiences.

Respectfully,

[REDACTED]
