To the Hall County Board of Commissioners,

The Ark is one of my favorite places in north Georgia and on Lake Lanier! I have attended events there and have also worked there as a volunteer. Every event was done in a tasteful manor. Noise has never been an issue! The staff is amazing at getting everything organized and staying on track. The owners make sure the place is in AAA shape.

I live approximately 20 minutes from the Ark by car and I'm 100% in favor of them continuing as they are. They are an important part of our LakeLanier community!
