I was just informed about Ark on Lake Lanier wanting event status. I was just looking up their website to see what it was all about. It looks like an event facility already!! It has been my understanding that short term rentals are not allowed in Hall County. It looks like this organization skirts the line in that aspect as well. I'm a philanthropic person but this to me seems like a resort with a "non profit" front. I would be leery of setting a precedence. I would say VOTE NO.
