The Ark is an amazing facility. We had an engagement party for my daughter there. Beautiful place. We were there during the day for that.

I've been there for a few other events as well. Christmas gatherings and such. A birthday party or two. Nothing crazy. Nothing loud. People behaving well just enjoying time together.

I don't think anybody should have a problem with what they're doing there at all.

It's a good thing for the community. I hope you will allowed to operate as an Event Facility and are able to use the overflow parking across the street when needed.

I'm hoping to be able to be at the meeting tonight if I can move something else around from my schedule.

Thanks,

Jerry and Joy Hoffmann
