Hello,

I am a Hall County resident and wanted to vocalize support for the ARK property becoming an event space. I've experienced the transformational community they've garnered over the years and believe the heart of the owners is something valuable that contributes positively to the County and those who are blessed to have an experience at the ARK (both residents and non-residents).

I hope the Commissioners will strongly consider approving the event venue status of ARK for the betterment of our County.

Best Regards,

Brandon Lytle
