I'm writing in support of The Ark as an Event Facility. I have enjoyed visiting The Ark in the past and can attest that it is managed professionally and with respect for community and neighbors. It is a first class facility that provides a meeting/gathering space for many types of clients from civic groups to families looking to enjoy the amenities of Lake Lanier and the greater Hall County community. A vote in favor of The Ark as an event facility is a vote in favor of the Hall County community.
