Greetings, my name is Michael Nuffesse, My wife Linda, and our daughter have been fortunate enough to be guests of the Ark on Lake Lanier and Jeff Hylton on a number of occasions. Every one of these were community oriented and for one or another great causes. The Ark is an asset to the community and its ownership and management are well known for their kindness and willingness to help so many local groups and causes.

Please give all consideration to granting their perfectly reasonable request.

Thankyou so very much,
Michael Nuffesse
