Dear commissioners,

We are reaching out to show our support for The Ark, and what it brings to Hall county.

My husband and I have had the pleasure of attending a few functions at The Ark and we can honestly say that what the venue offers is truly amazing. The Ark is a place to come together in fellowship, to reconnect with friends and family, and a peaceful place to reflect.

We are in full support of The Ark and their mission.

Respectfully,

Greg and Gail Ruggles
