My several experiences at the Ark were some of the best times of my life. On one occasion I was able to spend the night. I'm just a single woman who literally got the VIP treatment. My car was parked, my luggage placed in a wonderful suite. I had one of the best nights of my life. The Ark is truly a place of peace and tranquility.

I pray that the needs of Jeff Hilton will be completely met. The Ark deserves every request met.

I thank you in advance for your consideration and support.

Sincerely,

Kayren Spain
