Some people who received this message don't often get email from [REDACTED]. [Learn why this is important](#)

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

This email is in support of the request made by Jeff Helton to have an overflow parking area across the street from The Ark. The architecture along with manicured grounds of the Ark is an asset to the surrounding community. We live 4 minutes away and see no problem with what Mr Helton proposes. The Ark is beautiful, meticulously maintained and is used by many church activities and non profit associations. Please grant Mr Heltons request
