Hello,

I am writing in support of The Ark's application to operate as an event facility, along with the request to use their property across the street for occasional overflow parking.

I own a business here in the Gainesville and Buford area, and I know the property and the people behind it. What happens at The Ark is quiet and intentional. Families, churches, and nonprofits coming together. It is well maintained, it is well run, and it has never been the kind of place that creates a problem for the people who live around it.

Hall County is better with The Ark in it. I hope the commissioners will approve the application.

Thank you for your time,

Esteban Ulloa
