Dear Hall County Commissioners,

My name is Yevhen Voit. I am a Christian leader, pastor, and founder of F5 Movement Inc.

I would like to express my sincere support for The Ark and their application to operate as an Event Facility.

I am familiar with the work of The Ark and deeply appreciate what they provide for churches, pastors, nonprofits, families, and other groups. For many years, The Ark has been a place where people can come together, strengthen relationships, find time for rest and spiritual renewal, celebrate important moments, and simply spend meaningful time with those they care about.

I truly believe The Ark is a valuable resource for our community and brings meaningful benefit to many people. I fully support their desire to continue developing this place and serving the people it was created to serve.

I hope you will support their application and allow The Ark to continue this important work.

Thank you for your consideration and for your service to our community.

Sincerely,
Yevhen Voit
Founder, F5 Movement Inc.
