The Ark is such a special place for me and my family. My husband is the nephew of Jeff Hylton and even worked as facility manager for the Ark during college. We had a small family wedding at the Ark in 2022. Jeff was so kind to let us use the Ark free of charge. I was a medical student at the time and there is no way we would have been able to afford a wedding if it had not been for the kindness and charity of uncle Jeff. I would love to see the Ark continue to be a blessing to other community members.

Sincerely,
Katherine and Griffin Young
