Please note: Hall County will be implementing our new NextRequest Open Records Request portal on July 1, 2026. Current ORR specific email addresses (such as orr_planning@hallcounty.org, etc.) will be deactivated, and all requests will need to be submitted through the new portal (<https://hallcountyga.nextrequest.com/>).

Please note, as of **July 13th**, Community Development and Infrastructure departments, including Planning and Zoning, have relocated back to 2875 Browns Bridge Road, the Hall County Government Center, on the 3rd Floor.

Hall County Planning and Zoning does NOT accept wire transfers.

All payments must be made through the Accela Portal or in person. If you receive any request for a wire transfer, please contact our office immediately—it may be fraudulent.

All **PLAT** and **BUILDING PERMIT** submittals may be submitted online through [Accela](#). Plat inquiries may be submitted to plats@hallcounty.org. Zoning inquiries may be submitted to planning@hallcounty.org.

I am writing to share what The Ark on Lake Lanier has meant to me personally. Having lived in Hall County for 21 years and served our community alongside my husband, Randall Popham—pastor of Lanier Hills Church—I can attest that The Ark has been an invaluable sanctuary for our family, our church leadership, and many others.

I have personally utilized the property for corporate retreats, wedding showers, and staff leadership events. It is a truly special place, and I sincerely hope it is permitted to continue operating at the same capacity. I encourage anyone who has not yet visited to do so; from the moment you step onto the property, you are met with a profound sense of peace. It has been a place of healing, growth, and connection for me.

Thank you for taking the time to read about my personal experience. Jeff, Jackie, and their entire staff are true servant leaders.

Sincerely,

Dana Popham
