Simplify Your Purchasing Process

Custom Truck One Source is proud to announce its partnership with Sourcewell, a leading public cooperative purchasing organization. This collaboration is designed to provide government agencies with a streamlined, cost-effective, and transparent procurement process for acquiring the specialized equipment essential to your operations.

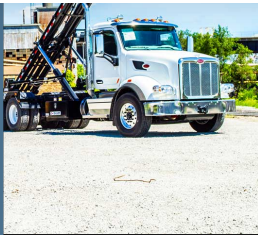

By leveraging our Sourcewell contract, you can bypass the complexities of traditional bidding, saving valuable time and resources while accessing pre-negotiated, competitive pricing. This partnership empowers you to maximize your budget and enhance operational efficiency, ensuring you receive high-quality, reliable equipment without the lengthy procurement cycle.

EQUIPMENT OPTIONS

Custom Truck provides specialized equipment tailored to the unique challenges you have.

Roll-Offs & Rear Loaders

Power Transmission

Cable Placers & Splicing

Cranes & Flatbeds

Tensioners & Pullers

Key Benefits of Our Sourcewell Partnership:

- **Significant Cost Savings:** Access competitively solicited, volume-based pricing that stretches your budget further.
- **Enhanced Efficiency:** Simplify the procurement process, eliminating the need for lengthy and complex bidding procedures.
- **Assured Quality:** Avoid "low-bid, low-quality" outcomes. Sourcewell contracts are awarded to vendors who meet stringent quality and service standards.
- **Complete Transparency:** The purchasing process is straightforward and clear, providing full confidence in every transaction.

Tailored Solutions for Every Level of Government

We provide specialized equipment and support structured to meet the distinct requirements of federal, state, and municipal agencies.

Federal & Military Agencies

Custom Truck One Source offers a comprehensive range of equipment solutions that meet the rigorous standards of federal and military operations. Our dedicated government sales team understands the specific compliance and acquisition requirements of United States Federal Departments and Agencies, ensuring a seamless procurement experience through our Sourcewell contract.

State Government

We are committed to supporting state governments by providing robust contract solutions and a knowledgeable team to assist with acquisition objectives. Our partnership ensures states can procure specialized equipment efficiently, from aerial lifts to vocational trucks, all while adhering to established purchasing protocols and maximizing taxpayer value.

Municipalities & Local Government

Local governments, co-ops, and special districts benefit immensely from our Sourcewell partnership. We offer a direct path to acquiring essential equipment for public works, utilities, and transportation departments. This program facilitates bulk purchasing advantages and delivers best-in-class sales and service support to every local entity.

Leading the Charge in Sustainability

Custom Truck One Source is dedicated to supporting your Green Initiatives and sustainability goals. We offer innovative and environmentally conscious solutions, including a growing portfolio of electric-powered equipment. Our team can assist your agency in transitioning to an electric fleet, helping you comply with federal mandates and reduce your carbon footprint.
