To whom it may concern,

My name is America Lucario, and I live at 1911 Driskell Dr. I am writing to respectfully ask that the Hall County Board of Commissioners vote **NO** on the proposed antenna by Kelly Tower LLC in the Pine Circle Drive neighborhood.

This issue is especially important to me because my grandparents live on this street. They are at a point in their lives where they are approaching retirement and hope to enjoy the peaceful, quiet neighborhood they have known and valued for many years. I am willing to advocate on their behalf and make sure their concerns are heard.

I am also concerned that the questions and concerns of residents in this area may not receive the attention they deserve because of the demographics of the neighborhood. Every resident deserves to have their voice heard and their quality of life taken seriously when decisions are being made that could significantly affect their community.

I respectfully urge the Hall County Board of Commissioners to listen to the concerns of the Pine Circle Drive residents and vote **NO** to this proposed development.

Thank you for your time and consideration.

Sincerely,

America Lucario
