Meetings:

Voting Meeting Date: 11/16/26

Executive Summary:

Presenter: LT

Recommendation:

(B) Approval, with conditions, as the use is an existing approved use and the proposed expansion is outside the 300-foot limits of the Gateway Corridor Overlay District (GCOD).

1. The property shall be developed in accordance with the site plan dated September 4, 2026, and as described in the project narrative dated September 17, 2026, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval.
2. A combination plat shall be submitted for Plat Review and recorded prior to issuance of any land disturbance permit, building permit or business license.
3. No variances or development exceptions are granted as part of this request that are not explicitly granted by board approval. All improvements and applicable code sections identified in this report shall be met or a separate variance application filed for relief.
4. All conditions of zoning shall be made a part of any plats or construction plans created for the property.
