This was zoned for single family homes when we bought our retirement home at 3845 Cagle Road and we do not want high density housing on our road! Why have zoning if we can't count on it staying single family homes? Y'all have already put the "land port" in and our property value and peaceful neighborhood took a hit now you want to rezone for high density housing?! I've talked with neighbors and we really do NOT want this. There are already eight HD housing projects within five miles and they are not full so please stop this proposed rezoning. My number is [redacted] if you have questions. We will be at the meeting on Nov. 16 at 5:15. Sincerely,
Susan and Robert Collins
