I am writing this in reference to the Rezoning request for Habitat for Humanity on Cagle Road. Our neighborhood is COMPLETELY AGAINST THIS!

There are 8 separate apartment/townhouse communities within a 5 mile radius and they are not even at capacity! This housing is not needed and it's DEFINITELY not needed in this community! We are completely saturated with housing!

Our property values have already taken a hit because of the Inland Port that was forced on our community and this is just way out of bounds and too much! We are all saying it's ENOUGH!

I am asking you to vote NO on this Rezoning request and deny this change. This is not something anyone needs or wants in our community.
