

**Hall County
Adoption Resolution**

WHEREAS, Hall County has prepared an annual update to a Capital Improvements Element and Short-Term Work Program; and

WHEREAS, the Department of Community Affairs has reviewed the annual update and provided an advisory comment regarding a mismatch in funds between the beginning fund balances and the ending fund balances from the last reported fiscal year; and

WHEREAS, Hall County has reviewed the advisory comment and it was determined that the balance for each impact fee category had not rolled over correctly from prior years due to a clerical administrative error on allocating an immaterial amount of impact fee revenue. Internal procedures have been implemented to ensure totals by category agree to the comprehensive annual financial report. Figures for FY2018, FY2019, and FY2020 have been revised and reconcile to audited records; and

WHEREAS, the annual update of the Capital Improvements Element and Short-Term Work Program was prepared in accordance with the Development Impact Fee Compliance Requirements and the Minimum Planning Standards and Procedures for Local Comprehensive Planning established by the Georgia Planning Act of 1989, and has been reviewed for consistency with the appropriate Regional Water Plans and with our Rules for Environmental Planning Criteria (O.C.G.A. 12-2-8); and approved by the Georgia Department of Community Affairs; and an adoption Public Hearing was held on June 24, 2021.

BE IT THEREFORE RESOLVED, that the Chairman and Board of Commissioners of Hall County does hereby adopt the annual update of the Capital Improvements Element and Short-Term Work Program covering the five-year period from 2021-2025, as per the requirements of the Georgia Planning Act.
