Should you decide to respond with a bid submittal, your sealed bid must be delivered to and physically received by the Hall County Purchasing Division by 3:00pm, Friday, January 7, 2022, per the requirements of the bid document.

Contractor is advised to visit the project site and verify the dimensions and required quantities of materials before preparing a bid response. The material list provided is an estimate based on one concept of the work to be accomplished and is not a recommendation of quantities necessary for a complete bill of materials and installation
