My family and I are extremely against this! We have lived at this location (the corner of joe Parker Rd and Gillsville highway) for 35 years. To build a housing complex in this particular are would be potentially disasterous! I sit on my front porch day after day watching the traffic pass. I am not even kidding when I say 100 cars per MINUTE will drive by my home during morning and evening commute times every single day. I see near misses and minor accidents all the time. Increase of traffic from 400 new homes will make this stretch of road even more dangerous and impossibly busy. Not to mention, we have had to fight for YEARS to get this areas crime rate under control. I feel safe here, and it was not always the case. When need a community area more than a housing complex. Create a nature preserve. Do something useful with this land!! This is my home. Literally all I have ever known. Please don't put a townhome community in my back yard. I don't want to see it from my windows. Please don't let them destroy so much land. So many precious trees. PRESERVE HALL COUNTY!!!! PRESERVE IT BEFORE IT IS GONE!!! WHAT WOULD OUR ANCESTORS THINK!!!!???
