**Subject:** Agenda for January 4, 2022

Good afternoon –

Just wanted to let you guys know about a few items that is in the conservation covenant

Item #5 – Parcel 12026 000004 is in the conservation covenant creating boat& RV storage would create a breach with the owner owing the taxes saved from 2020, & 2021 & possibly 2022, times 2.

Item # 9 – Parcel 11067 000004 is in the conservation covenant, but the covenant will expire December 31, 2021 so any action taken on the property on or after January 1, 2022 will not create a breach.

Item # 11 – Parcel 15033D000008 is in the convent and turning this parcel in to a 176 townhome will create a breach making the owner responsible for all the taxes saved from 2013 until 2022 times 2.

Respectfully,

Tracy Gilreath
