Narrative

Kenneth Ley and Kimberly Brett-Ley respectfully ask the Committee to allow the two parcels identified as lot #3 and lot #4 on the accompanying survey to be subdivided as indicated for sale to private party(s). The intended use for lot #3 and lot #4 is to construct a single-family dwelling on each lot as identified in the accompanying survey as lot #3 and lot #4. A binding purchase agreement has been accepted by the owners (above) and is pending Planning Committee approval of this application. Buyer(s) states their intention is to build a single-family home for personal use. Thank you for considering this request.
