Lamar,
That sounds good to me. Thanks for reviewing, I appreciate your expertise.

Thanks,

Jerry Smith, MA, NREMT-P

I have reviewed the 4 hard copy bids and IF you all are good with the answers from Brandon at power and energy on my questions, I vote to go with them. We have blue star generators at a cell site and Jimmie says so far so good. FYI
Lamar

Good Afternoon,

Attached is a copy of the cost proposal for bid #029-43 Generators for Fire Rescue Warehouse & Fire Station #7. We had 4 vendors that responded with bid proposals.

I have one extra copy of the bid for someone that has more information for you to review.
Who would like to have this and when do you want to pick it up?

In order to get this on the October 13 agenda, I would need a response by Monday, 9/19, by noon.

Regards,

Debra Howington, C.P.M.
