Good afternoon Debra and thank you.

I discussed this with Bill and Frank and we would like to proceed both vendors.

Please advise if you have any questions.

Subject: BID #43-014 DEMAND SERVICES FOR MINOR RESURFACING, PAVING AND SEALCOATING

Good Afternoon,

We only have 2 responses to the bid for Minor Resurfacing, Paving and Sealcoating. I have attached the responses. Since this is a demand service bid and we usually have a pool of vendor, you can choose both of these vendors if you so choose. Let me know by tomorrow afternoon, if possible, and I will put this on the 10/13 HCAM voting meeting agenda.
